

# AUTUMN MATCHING COLORING activity

# HOW TO USE THIS ACTIVITY

## You will need:

- Crayons (or markers)

## What to do:

- Choose a page and print it out on regular printer paper.
- Find pictures that match and color them all the same color.
- Then switch colors and pick another set of matching objects to color.
- Continue with this until everything on the page is colored.

## Tips:

- To promote a mature grasp, use broken crayons when coloring. Encourage proper grasp and posture.
- Change up the position for even better results. Tape the picture to a wall or under a child-sized table to promote shoulder, arm and wrist strength.
- Have your child lay on his/her tummy with the activity out in front to promote core strength, as well as shoulder and arm stability.
