mats

HOW TO USE THESE MATS

What you will need:

- Goldfish crackers

What to do:

- Print the activity (onto cardstock works best)
- Slide it into a plastic sleeve and place it in your fine motor activities binder.
- Look at the number on the mat, say it out loud and count out that many goldfish to place in the fishing hole water.
- Eat the goldfish one at a time, counting again.

*If you don't want this to be a snack activity, use small items like erasers or pompoms instead of goldfish crackers.
