HOW TO USE THIS ACTIVITY

Materials to gather:

- Squishy bag with beads

What to do:

- Print the activity onto heavy cardstock.
- Slide the activities into your binder.
- Choose a page to complete.
- Lay the squishy bag over the printable and move the beads around with your index finger until they're on top of the "I Spy" items.

Alternatives:

- Instead of using a squishy bag, place small items, like buttons, a piece of washi tape, pompoms, or play dough, on the answers.
- Instead of a squishy bag, simply circle the matching items.

HOW TO MAKE A SQUISHY BAG

Materials:

- Gallon sized freezer bag
- Cotton ball
- Rubbing alcohol or fingernail polish remover
- Hair gel
- Duct tape
- Items to move around in bag
(nothing with sharp edges)
- Food coloring (optional)

Instructions:

1. If your freezer bag has any printing on it, use the cotton ball with some rubbing alcohol or fingernail polish remover to remove it.
2. Squeeze some hair gel into the bag so that there is a nice even covering inside the bag but so that it is not over-filled
3. Optional: Add a little food coloring if you want, but be careful not to make the color too dark because you need to be able to see what's under the bag. Close the bag and gently work in the food coloring.
4. Place in the bag whatever filler you need for the activities you will be completing (beads, pompoms, etc.)
5. Close up the bag, squeezing out any extra air bubbles and secure the top of the bag with duct tape. Also tape off the sides of the top so that no gel can't be squeezed out during play.
