

ROLL & COVER SHAPES

activity

HOW TO USE THIS ACTIVITY

Supplies to gather:

- Dice
- Something to cover the numbers (eg coins, buttons, BINGO chips, pieces of play dough, beads, etc.)

What to do:

- Print out the shape you would like to play with.
- Roll the dice.
- Cover a number on the shape that matches the number you rolled.
- Keep rolling and covering until all of the spaces on the shape are covered.
- If you use BINGO chips, taking them off with a magnetic wand so fun.

Options:

- Plan to play for a certain amount of time and see how much you can cover. Next time you play see if you can cover more spaces.
- Turn it into a game by giving each player a different color of markers to place on the shape. If you roll and there isn't a number that matches, your turn is skipped. Count the number of markers for each player once the entire shape is covered to see who wins.
