TIPS FOR COLORING WITH KIDS

When coloring:

- Use broken crayons to promote a mature grasp
- To improve core strength, have your kiddo lie on his/her stomach on the floor with the coloring page placed out in front.
- For children using light pressure, put a texture (ie-sand paper or a plastic cross stitch grid) under the coloring page.
- For children using heavy pressure, place a mouse pad under the page.

Other ideas for coloring pages:

- Tear small pieces of paper and glue them on the page to create a mosaic.
- Go around the outside of the picture with glue and sprinkle on salt. Once it's dry, use watercolor paints to decorate your picture.
- Decorate the coloring page with washi tape.
- Tap paint the picture with a bundle of q-tips.
- When tracing a letter, go over it several times (using verbal prompts for proper letter formation) with different colors to form rainbow letters.
